Eaton Vale

The Eaton Vale trip at the end of last term was a great success. We had 28 members on the trip who had a cracking time building and falling off stacks of crates! Pictures are available on the Youth Club Website at www.wreningham.org/youthclub.html.

Bang The Drum

We are currently organising an event for this term which will be an African Djembe drumming workshop where the children will learn to play various rhythms and put together a collective piece. There will be a small additional charge for this event over the normal subs. Look out for further info in the next few weeks.

Thank You

Following our appeal in the last newsletter for equipment we'd like to say thanks to Nicky and Kevin Foley for their generous donation of a new badminton net. We're still on the look out for an X-Box controller so if you have an old one gathering dust somewhere, please let us know.

AGM

The Youth Club AGM will be held on 4th October 2011 at 7.30pm in the Margaret Preston room at the Village Hall. The meeting is open to all and particularly those who wish to get more involved in the running of the club.

Wreningham Needs You!

We believe that the young people of Wreningham and Ashwellthorpe gain a lot from being a part of Wreningham Youth Club. It is an important part of our villages, providing a time and a place to meet up and have fun. However, we do rely on volunteers to form the committee and to run the club. Without this support the club simply cannot exist for our children. We have been looking for volunteers for the committee since a key member of our team left last term. So if you can spare the time to attend four meetings a year and to offer help on some club nights please come and get involved. You never know, you might just have fun too!
