

Wreningham Village Hall Mardle
Extracts from June/July 2009 Edition

From The Chairman,

There are 2 major projects in the planning at the moment. I am sure that most people are concerned about the mains sewer scheme and the disruption this will cause. Anglian Water has been very slow in providing information and the work has been put back. New dates for road closures will soon be available. There is further information in this publication and details will be posted on the village website. The village hall management committee realises that not everybody has access to the internet, so as soon as we have any real information we will be putting a large notice board up in the Margaret Preston room, which is open every Thursday and Friday evening from 8 pm for Social Club, and you would be welcome to call in and look at the details.

The management committee has submitted an application form for a grant to install a renewable energy system and will probably be considering solar panels and/or a 15 meter high wind turbine on the car park. If we are successful in our application we shall be displaying details of the options (also in the Margaret Preston room) and seeking the views of parishioners.

The Social Club is open to everybody - Membership became due for renewal on 1st January 2009 at £2.00 per adult and 50p for juniors (8 – 16's). Anybody wishing to join can pick up an application form from behind the bar on a club night which is on Thursday and Friday evenings from 8 pm in the Margaret Preston room, excepting the first Friday of the month when doors open at 6.30 pm and people with young families are especially welcome that evening.
