

Wreningham Mardle

No: 172

APRIL/MAY 2010

From The Chairman,

We have now had details of the grant being offered for our renewable energy project. We are no longer being offered any grant towards solar panels, but we have been offered money to provide a wind turbine. Subject to Parish Council consent, it is hoped to go ahead with this during the summer.

We shall be linking up to the mains sewer at the earliest possible opportunity and have gone out for quotes.

The event on 19th/20th June supporting the Social Club's beer festival is still under discussion so watch out for posters during the next 2 months giving details.

Christine Minns (01508 488123)

Wreningham Parish Council

Chairman – Sheldon Durant 01508 489544

Clerk – Chrissie Baldwin 01508 489228

Address: Woodlace Cottage, Mill Lane

Wreningham, Norwich, NR16 1AN

Meeting 20th April and 18th May at 7.30 pm in the Margaret Preston room.

WRENINGHAM SOCIAL CLUB

Subscriptions – Membership was due for renewal at 1st January. Membership is £2.00 per adult and 50p for juniors (8 – 16's) per calendar year. This can be paid by leaving your old card and the fee with the bar staff on a Social Club evening. Your new card will be left behind the bar for you to collect when next in the club.

Membership is open to everybody. Anybody wishing to join can pick up an application form from behind the bar on a club night.

The Annual General Meeting will take place on Thursday 1st April at 8 pm. Do try to attend this meeting to offer your views and support and if anybody would like to joint the committee, there are vacancies.

Mother and Baby/Toddler Group – each Friday morning during school term. 9.30 am in the main hall. For details contact Claire on 01508 481748

News From Wreningham School

Extension to the Adventure Playground – The School Council raised over £1,000 last year towards their dream extension of climbing walls and cargo netting. With support from the Friends of Wreningham School, and the school, it was possible to complete the extension at the beginning of February. We are just waiting for a bit of good weather to be able to use it!

The Year 5 and 6 were invited to be involved in a CAD (Computer Aided Design) project at Hethel Engineering Centre. The challenge was to create a key-ring design for a target group and the children created several designs and eventually went to Hethel to have their final design cut onto Perspex. The children enjoyed the project and they have now all got new key-rings.

Healthy School Status – The school has managed to gain this award which shows their dedication towards Healthy Eating, Personal Social and Health Education, Physical Activity and Emotional Health and Well-being.

Eco-School – Once again the school had achieved the Eco-School Green Flag Award. This is a national award achieved by showing that the school is Ecological friendly, and teaches the children the importance of looking after our environment. Some of the areas the school focus on are: litter reduction, energy conservation, healthy living, school grounds and biodiversity. The school has Eco-warriors who ensure an eco-perspective in decisions that are taken, energy monitors, litter pickers, bird feeders etc. as well as a gardening group.
